

DURANGO INFUSION

Comfort. Care. Confidence.

OUR SERVICES

We provide Infusion Therapy for an array of medical conditions. At Durango Infusion, we take pride in lowering your out-of-pocket costs. Our convenient location offers outpatient infusions in a flexible, non-hospital setting, and at a fraction of the cost of a hospital infusion center.

- Qualified Specialists
- Latest Technology
- Simple Referral
- Comfort & Privacy

OUR FACIILITY

Comfortable. Private. Compassionate.

Our brand new facility features 6 suites – two complete private rooms and 4 individual suites with privacy dividers.

OUR LOCATION

- Located at the Horse Gulch Health Campus in Durango
- Easy parking and facility access.
- Convenient for patients from Durango and the surrounding Four Corners community

OUR THERAPIES

We provide expert care for many autoimmune and neurologic disorders including Crohn's Disease, Ulcerative colitis, Rheumatoid Arthritis, Psoriasis, Systemic Lupus Erythematosus, Multiple Sclerosis, Osteoporosis, Asthma and Infectious Processes. For a comprehensive list of Medical Infusion Therapies we offer, please visit our website: www.durangoinfusion.com

EXPERT CARE

To ensure the highest level of quality care, your infusion therapy is manager by an on-site advanced practioner and infusion specialist.

SIMPLE REFERRALS

Referring patients has never been easier. We do all the heavy lifting, including ALL prior authorizations. We work closely with patients to ensure they understand their prescribed therapy, plan benefits, and ensure they take advantage of any copay and financial assistance available.
